THE BILLS FOR A BILLION

Dear Ralph Wilson Jr,

I am hoping I can convince you to sell me the NFL team for 1 billion dollars.

My primary interest is to keep the team in Buffalo . In the case of a successful transition of ownership, the name of the stadium would be preserved, in your honor, as long as there is a city of Buffalo to honor it.

I plan to raise the funds online via kickstarter.com, and if I am able to do so would move back to western New York to aid in management.

It's such a crazy plan it just might work.

Sincerely,
